Re: Account of Dan Shunn
S.W. 36-26-5-W4

The matter of an application for an adjustment of indebtedness outstanding against the above mentioned party is referred to you, constituted as a Board to deal with such cases. Having completed an investigation I am now in a position to report as follows:

In 1915, 1919 and 1920 seed grain and relief amounting to $601.84 were advanced to Dan Shunn on the security of the W.½ 36-26-5-W4. Payments of $15.50 and $300.00 were received in 1919 and 1929, respectively, and applied to the principal and interest. Order in Council P.C. 770/108 dated the 16th of January 1930, authorized that the N.W. 36-26-5-W4 be released as security for the liens on the payment of $300.00 and the sum of $598.36 be written off as a loss, the balance of the indebtedness to remain as a charge against the S.W. 36-26-5-W4. The present standing of this account is:

| Principal | Interest | Total |
|---|---|---|
| $ 100.44 | $ 118.44 | $ 218.88 |

Patent was issued in the name of Dan Shunn for the N.W. 36-26-5-W4 on the 10th of June 1922. The S.W. 36-26-5-W4 was formerly the pre-emption of the debtor whose entry was later cancelled and re-entered upon by Samuel L. Klein. Patent was issued in the name of Samuel L. Klein on the 24th of September 1935 and there is no record of the liens having been registered.

As the liens were never registered against the land and there is no further security, it is recommended that the balance of the indebtedness be cancelled.

Re: Account of Dan Shunn
S.W. 36-26-5-W4

The matter of an application for an adjustment of indebtedness outstanding against the above mentioned party is referred to you, constituted as a Board to deal with such cases. Having completed an investigation I am now in a position to report as follows:

In 1915, 1919 and 1920 seed grain and relief amounting to $601.84 were advanced to Dan Shunn on the security of the W.½ 36-26-5-W4. Payments of $15.50 and $300.00 were received in 1915 and 1929, respectively, and applied to the principal and interest. Order in Council P.C. #70/108 dated the 16th of January 1930, authorized that the N.W. 36-26-5-W4 be released as security for the liens on the payment of $300.00 and the sum of $598.36 be written off as a loss, the balance of the indebtedness to remain as a charge against the S.W. 36-26-5-W4. The present standing of this account is:

| Principal | Interest | Total |
|---|---|---|
| $ 100.44 | $ 118.44 | $ 218.88 |

Patent was issued in the name of Dan Shunn for the N.W. 36-26-5-W4 on the 10th of June 1922. The S.W. 36-26-5-W4 was formerly the pre-emption of the debtor whose entry was later cancelled and re-entered upon by Samuel L. Klein. Patent was issued in the name of Samuel L. Klein on the 24th of September 1935 and there is no record of the liens having been registered.

As the liens were never registered against the land and there is no further security, it is recommended that the balance of the indebtedness be cancelled.

1. That the indebtedness, which is more particularly described in the attached report, be cancelled without the requirement of any payment.

Re: Account of Harry Hixson,
E.½ 12-24-5-W.4th.

The matter of an application for an adjustment of indebtedness outstanding against the above mentioned party is referred to you, constituted as a Board to deal with such cases. Having completed an investigation I am now in a position to report as follows:-

In 1915 seed grain and relief amounting to $182.45 were advanced to Harry Hixson on the security of the above mentioned land. Payments of $25.00, $25.00 and $7.85 were received in 1928, 1928 and 1936, respectively, and applied to the principal and interest. The present standing of this account is:-

| Principal | Interest | Total |
|---|---|---|
| $ 170.55 | $ 281.49 | $ 452.04 |

Patent was issued in the name of Harry Hixson for the S.E. 12-24-5-W.4th on the 29th of March, 1915, subject to the 1915 liens. The N.E. 12-24-5-W.4th was formerly the pre-emption entry of the debtor whose entry was later cancelled and the land is still unalienated Crown land held in the right of the Province.

Title to the S.E. 12-24-5-W.4th has since been acquired by the Crown and according to an abstract of title dated the 26th of November, 1953, the land stands in the name of Her Majesty Queen Elizabeth the Second in the Right of the Province of Alberta as represented by the Minister of Lands and Mines clear of any encumbrance.

As the liens are no longer registered against land and there is no further security for our advances it is recommended that the indebtedness be cancelled.

Feb. 9, 1946.

Dear Sir:

Re: Victor Dufort. T 13-32-6-4.
Joint Relief Advance

The above party obtained the following joint relief advance giving an security a lien on the title to the above lands.

Joint Relief
Nov. 1/45
1.t. to Mar. 31/51

$600.00
57.79
$145.00

The debtor found himself unable to continue with his farming operations in this territory due to continued drought conditions and moved therefrom with a view to locating himself elsewhere under more favorable circumstances, his present whereabouts being unknown.

The R.L. 13-32-6-4 was allowed to revert to the taxing authorities under the provisions of the Tax Recovery Act. The lands are still vacant land now stands in the records of the Department of Lands and Mines as unpatented land. Both parcels are situated within the special areas and are under the jurisdiction of the special areas Board who due to their location in one of the more arid parts of the province holds same available for lease by one of the few remaining residents for grazing purposes only at a nominal rental insufficient to provide for any recovery on this advance.

As there is no possibility of obtaining repayment under the personal covenant and as no security of any value now remains I would recommend that the balance outstanding be written off and the file discontinued.

Provincial feed grain advances of three hundred and twenty dollars and seventy-five cents ($320.75) have already been cancelled.

O. S. Ottawa 11th July, 1912

MEMORANDUM :-

Re the fractional ... Section 4, lying south of ... river, Township 12, Range 1[illegible] West of the 4th Meridian, containing 108 acres, shown hatched in blue on the attached sketch patented to the C.P.R. Co., in June 1904.

The Agent of Dominion Lands at Calgary granted Mr. Andrew Becker homestead entry in error for this land in July 1910.

The explanation given is that the mistake was due to an omission in transcribing the Township register at the time the Medicine Hat Agency was established.

According to the homestead inspector's report called for in this connection, Mr. Becker has been in residence on the land since the date of entering and has improvements thereon valued at $[illegible].

Mr. Becker states his improvements are worth twelve or thirteen hundred dollars and that he would not like to leave his homestead as the surrounding lands as far as he knows are taken up and it might take him more than a year to remove his improvements.

Under the circumstances I beg to recommend that the Railway Co. be requested to revest the land in the Crown in order to permit of Mr. Becker's retaining the same under homestead entry. The Department could then add the Company to select other land in lieu of that surrendered.

Respectfully submitted,

W. W. Cory, Esq.C.M.G.,

Deputy Minister of Interior.

Chief of Branch.

LAND PATENTS BRANCH,

Ottawa, 27th August, 1910.

Fractional South West ¼ of Section 4, lying South of River, Township 22, Range 10, West of the 4th Meridian, containing 108 acres, Patented to the Canadian Pacific Railway Company. Homestead entry now land granted in error to Arthur Hooker.

Mr. F. T. Griffin, Land Commissioner of the Canadian Pacific Railway Company, has requested by Departmental letter dated the 9th ultimo, hereto, written in accordance with your endorsation on my memorandum of the 14th idem on the file, to advise the Department if the Company would be willing to revest the said fractional quarter-section in the Crown and take in lieu thereof an equal quarter-section of available Dominion Lands of equal value.

Under date the 16th inst., the Company informs the Department that their chief engineer finds the said 108 acres in the South West ¼ of Section 4 to be mostly all irrigable land and asks that in the circumstances a patent be issued for a half-section of available land in exchange for these 108 acres. It is claimed that by this arrangement the Company would be getting an exchange of an equal value of land. The exchange [illegible]

Re: Account of Stephen M. Huntley
S.E. 1-31-1-W4

The matter of an application for an adjustment of indebtedness outstanding against the above mentioned party is referred to you, constituted as a Board to deal with such cases. Having completed an investigation I am now in a position to report as follows:

In 1915, 1919 and 1922 seed grain, fodder and relief amounting to $998.84 were advanced to Stephen M. Huntley on the security of the above mentioned land. No payment has ever been received and the present standing of this account is:

| Principal | Interest | Total |
|---|---|---|
| $ 998.84 | $ 2,026.17 | $ 3,025.01 |

The S.E. 1-31-1-W4 was formerly the homestead entry of the debtor on which security he obtained advances of seed grain, fodder and relief in 1915, 1919 and 1922. His entry was later cancelled and was re-entered upon by another party to whom patent was issued on the 26th of March 1951 and there is no record of the liens having ever been registered.

An Abstract of Title dated the 18th of August 1952, shows the land registered in thename of Charles Willis Wood clear of any encumbrances.

As the liens were never registered against the land and there is no further security for our advances, it is recommended that the indebtedness be cancelled.

C.W. Gilchrist.

2206689

Ottawa, 5 August, 1952.

Mr. E.M. Medlen,
Dominion Member,
Seed Grain Advisory Board.

Re: Account of Wm. E. Glinz
S.E. 2-26-6 W. 4th Mer.

The matter of an application for an adjustment of indebtedness outstanding against the above mentioned party is referred to you, constituted as a Board to deal with such cases. Having completed an investigation I am now in a position to report as follows:-

In 1915 seed grain and fodder amounting to $369.15 were advanced to Wm. E. Glinz on the security of the above mentioned land. No payment has ever been received and the present standing of this account is:-

| Principal | Interest | Total |
|---|---|---|
| $369.15 | $677.75 | $1,046.90 |

The S.E. 2-26-6 W. 4th Mer. was formerly patented homestead of the debtor to which the 1915 liens became attached.

In reply to our questionaire of the 26th of June, 1952, J.H. Todrick, Supervisor, Special Areas, Department of Municipal Affairs, Province of Alberta, wrote as follows:

"Title to this land is presently vested in this Department having been acquired through proceedings under the Tax Recovery Act and is occupied at present under a long term grazing lease issued by this department. This land is located in that part of the Province designated Special Areas and as such there is little likelihood of same ever being disposed of by sale or utilized for any purpose other than grazing".

The information obtained indicates that the land is unsuitable for farming purposes and no longer offers any security of value for our liens. Under the circumstances it is recommended that the indebtedness be cancelled and the liens discharged.

C.W. Gilchrist.

Ottawa, 5 August, 1952.

1. That the indebtedness, which is more particularly described in the attached report, be cancelled without the requirement of any payment and the liens discharged.

Sir:

Request for transfer of certain Lands.

Re: Alfred A. Price - No.27411.
N.½ 7-1-2- .4th M. - Sask.

The above named settler secured advances from the Board for permanent improvements and stock and equipment totalling $2500., the Board taking a charge upon his granted soldier grant above described. Owing to such charge, patent to the soldier grant cannot be issued to the settler until his indebtedness to the Board has been fully discharged.

We are now in receipt of an application from Mr. Price requesting that patent to his soldier grant should be issued in favour of the Board. Mr. Price states that he has completed all duties in connection with his soldier grant and would be entitled to receive patent therefor were it not for our charge. This is confirmed by the letter from the Secretary of the Department to the settler, dated August 12th, 1914, copy of which is attached hereto.

In order to enable a settler to negotiate a sale of land in cases of this character, special regulations were promulgated by the Board and approved by the Governor in Council on the 4th day of June, 1911, (P.C.1044) which enables the Minister, on completion of duties by the settler and on the request of the Board, to vest the settler's right, title and interest in the unpatented land held by him in the Board, title remaining in the Board until the settler's indebtedness to it has been repaid. Under the provisions of these regulations, the Board hereby requests that the right, title and interest of His Majesty in the N.½ 7-1-2- .4th M. be vested in the Soldier Settlement Board. The Vesting Order above [illegible] is attached hereto for the Minister's signature.

Respectfully submitted,
